After a distinguished military career, in 1972 Lewis retired at the rank of colonel from the Army. Following his retirement, Lewis returned to Marion and remained very active in the community. He served as administrator for the local Public Housing Authority, formed Stewart Real Estate, rehabilitated two historic homes and a Marion commercial building, served as director of special services for the district attorney, 4th Judicial Circuit, AL. He was also deeply involved in the American Legion, the Veterans of Foreign Wars, the Perry County Historical Society, and the Lions Club. Lewis is loved and will be missed by his two sons Lewis Minor Stewart, Jr. and SG Matthew Rebel Stewart, U.S. Army, Retired, as well as his four grandchildren, three great-grandchildren, and two sisters. Lewis was an inspiration to many and will be remembered as an outstanding husband, father, soldier, churchman, community contributor, friend, and leader.

I ask the entire Senate to join me in recognizing and honoring the life of my great friend, Lewis Minor Stewart.●

COMMENDING KATIE'S CAFÉ

● Ms. SNOWE. Mr. President, tourism represents Maine's largest economic sector, and as a result, many of my State's nearly 150,000 small businesses are seasonal. But this year, between the deepest economic recession our country has faced since the Great Depression and a streak of unfortunate weather throughout Maine, these boutiques, shops, and restaurants are in many cases not experiencing the level of business they would traditionally. Despite these disparaging factors, one small restaurant in the town of Ogunquit, Katie's Café on Shore Road, recently undertook a significant and bold expansion to attract new customers.

While Katie's Café on Shore Road is a new restaurant on the scene, having opened just last year, it has already taken noteworthy steps towards establishing itself as a preeminent member and integral part of the local community. Katie's is owned by Rich Yurko; Donna Andersen; Rob Leary; and Katie Yurko, Rich and Donna's mother for whom the restaurant is named. An Alberta, Canada, native, Katie and her husband Mike, along with their six children, are known for their abundant energy and hospitality. The Yurko family's first foray into the hospitality business occurred in 1999, when they purchased Breakfast on the Connecticut, a luxurious bed and breakfast in Lyme, NH.

Although a new establishment, Katie's boasts a knowledgeable staff with years of experience in the restaurant industry. The café is run by David Carme, who brings with him a plethora of experience from some of Boston's finest restaurants, including Teatro, an upscale Italian restaurant in Boston's theatre district, and Mistral, a trendy French Mediterranean establishment in the city's south end. Katie's also added executive chef Jason Grant to the team in May. An experienced cook, Grant brings 20 years of culinary experience to this new position.

Following a successful first year of operation last year, Katie's Café used the winter to expand its facilities, adding 40 new seats including a new porch seating area. Additionally, Katie's increased its kitchen space as well as the size of its lounge. With this recent expansion, Katie's Café serves as the perfect meeting place where customers are assured that they will receive a five star dining experience in a welcoming, relaxed social environment. With its expanded capacity, Katie's provides a unique locale for special events such as birthdays, weddings, receptions, and family holiday gatherings. Additionally, the café hosts "Lounge Socials" every Saturday and Sunday, complete with complementary appetizers and drink specials.

In its short time on Shore Road, Katie's has already taken the initiative to join with other area businesses in making several community events successful. In particular, the restaurant helped sponsor last December's Christmas by the Sea festivities, and took part in the town's Cinco de Mayo weekend this past May. These annual celebrations are a true example of community spirit, and they draw new faces from across the region to explore Ogunquit and the surrounding towns of York County.

A noteworthy seasonal small business that has quickly made a name for itself, Katie's Café has taken several concrete steps to ensure that it has a bright future beyond these tumultuous times. I congratulate everyone at Katie's Café for their vision and creativity, and wish them many more successful seasons.●

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-58. A resolution adopted by the Senate of the State of Louisiana urging Congress to address the escalating electronic payment interchange rates that merchants and consumers are assessed; to the Committee on Banking, Housing, and Urban Affairs.

SENATE RESOLUTION NO. 131

Whereas, improved technology combined with consumer convenience has caused a rise in credit and debit card electronic payment systems; and

Whereas, in order for merchants to accept these payment systems, merchants are required to enter into an unfair contractual relationship with the credit card companies and their member banks; and

Whereas, in exchange for the electronic payment system, merchants must pay interchange fees and these interchange fees are usually hidden and not disclosed to the consumer; and

Whereas, credit card companies increase interchange fees and change the terms of merchant contract agreements without providing sufficient written or electronic notice to card accepting merchants; and

Whereas, the interchange fees are ultimately passed on to the consumers, including those who pay with cash or a check and who, in effect, subsidize rewards given to credit card customers; and

Whereas, the number of rewards cards in circulation is rapidly increasing, and the new rewards cards carry higher interchange fees and therefore, are more costly for both merchants and consumers; and

Whereas, merchants are contractually obligated to accept all cards from a credit card issuer and may not refuse payment from a card charging higher interchange rates; and

Whereas, the interchange fees, including those paid on food and gasoline, are typically almost double the profit margin of the merchant; and

Whereas, traditional economic models are not applicable because merchants are forced to accept contractual terms dictated often without notice or recourse; and

Whereas, small businesses struggle to absorb the constant increases in the cost of accepting electronic payments; and

Whereas, it is advantageous that economic models facilitate a highly competitive marketplace; and

Whereas, the increased consumer use of electronic payments requires Congress to assure the existence of a highly competitive and vibrant market that promotes an economic playing field that is fair to consumers, merchants, and card providers: Therefore, be it

Resolved, That the Senate of the Legislature of Louisiana hereby memorializes the Congress of the United States to address the escalating electronic payment interchange rates that merchants and consumers are assessed. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.
